Online Islamic School

Abrar Online Islamic School is a purpose-driven platform delivering authentic Islamic education for all ages, blending traditional values with modern digital learning.

The identity centers on guidance, knowledge, and spiritual growth, reflected in the logo through the “A” form, an Islamic geometric core, and a circular structure symbolizing unity and continuous learning.

Through Qur’an recitation, structured Islamic studies, early foundation learning, and madrasa support, Abrar creates a trusted and inclusive environment that nurtures lifelong faith and knowledge.
